Builder Of The Breed . . .

Ray Clodfelter, Greencastle, Indiana, is a partner with his son, Gerald, honored earlier as a breed builder, in the ownership and operation of Glatwyn Farm where one of the leading herds of Polled Shorthorns is maintained. Though family pride and extreme modesty has prompted him to allow a fine son to hold the spotlight position, those close to this firm are perfectly aware that a full share of the credit for the performance and winnings of Glatwyn productions belongs to Ray Clodfelter. His father raised Shorthorns on the family farm when he was born and his devotion to good livestock covers the span of a lifetime. Never seeking credit, he can be listed among the staunchest workers for the breed. Veteran of World War I, man of high principles, he is loved and respected by all who know him.

REGISTERED POLLED SHORTHORNS

Sale To Be Held At

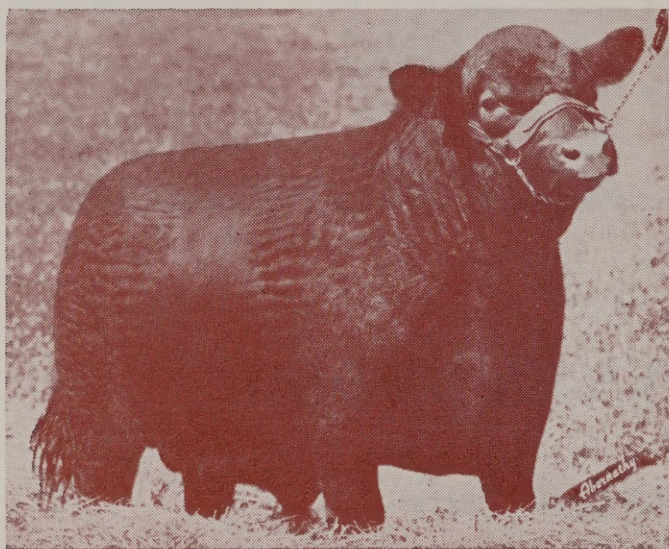

GLATWYN FARMS

Greencastle, Indiana

MONDAY, OCTOBER 10, 1960

12:00 Noon (D-S-T)

John Huff, Tujays Farm, Sparks, Maryland; Charles South, Tulleevin Farms, Franklin, Ohio; and George Nickel, Lynnwood Farm, Carmel, Indiana discuss items of special interest in the 1959 sale catalog.

Glatwyn Gem x, the top selling bull in the 1959 sale going to James E. Swisher, J & M Stock Farms, Levels, West Virginia at \$2,150. He is a son of Broadway Hallmark x. A full-brother sells as lot 5 in this sale.

Mr. and Mrs. Oliver Healey, Foxdale Farm, Duluth, Georgia, purchased Glatwyn Royal Ruth 3d x, the top heifer in the 1959 sale at \$1,500. A maternal half-sister sells as lot 7.

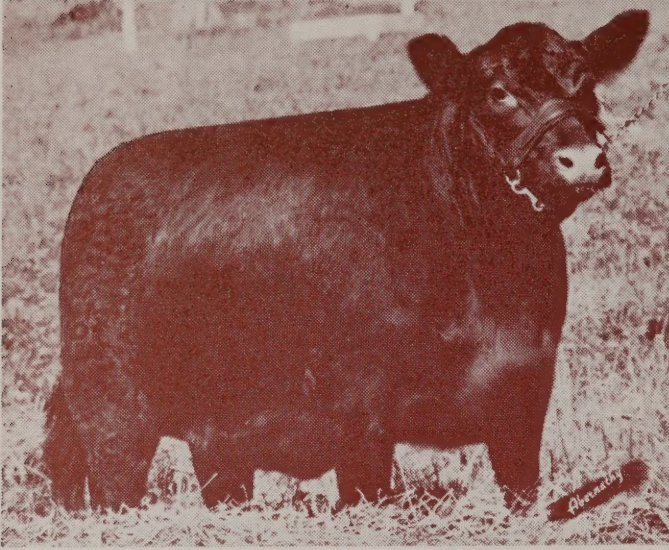

James E. Swisher, J & M Stock Farms, Levels, West Virginia, and his manager, Gerald Spiker; Kenneth Fulk, Executive Secretary of the American Shorthorn Breeders' Association; and Gerald Clodfelter, National Director of the American Shorthorn Breeders' Association "go over" a pedigree in the 1959 catalog.

After the 1959 sale these heifers belonged to the following happy new owners: Glatwyn Simplicity 21st x purchased by Gunn Farms, Greenfield, Indiana for \$1,200.00; Glatwyn Nonpareil 3d x went to B. Hollis Hanson, Connersville, Indiana for \$1,075.00; Glatwyn Lady 19th x bought by Gunn Farms at \$1,200.00; Glatwyn Matchless 5th x purchased by Orval C. and Donald C. Pratt, Rockville, Indiana for \$535.00; Glatwyn Mysie 3d x also went to Gunn Farms at \$1,250.00.

Glatwyn Mysie 3d x,
second highest selling female
in the 1959 sale, going to
Gunn Farms, Greenfield,
Indiana at \$1,250.00.

About the Sale Offering . . .

We have tried to be more factual than complimentary in our footnotes and pictures for our 1960 Sale. The pedigrees speak for themselves. We think the cattle will do likewise.

We feel that we are offering a real good group of bulls, bulls that have been selected and developed for this year's sale. Several have told us our heifers are stronger than in the past. We are selling a large number of good, sound brood cows.

The offering this year is large. A substantial increase in numbers and the good productivity of our herds in the past year have enabled us to make this large offering. We feel it will benefit both the buyers and the sellers. Buyers can select with confidence from a large number of outstanding cattle.

This Polled Shorthorn business is improving and growing rapidly, and we intend to not only keep but help set the pace.

For all who are interested in cattle and agriculture, you will find a warm welcome from the Clodfelters and the Richardsons at Glatwyn Farms on October 10th.

About the Cattle Pictures . . .

We are anxious to have your reaction to the pictures used in this year's catalog. All pictures of cattle selling are completely **unretouched**. Some of the cattle are posed in a natural setting with no straw, some we just snapped running loose.

The pictures were taken in June. The cattle have done well since then. We feel that you will be highly pleased when you see them in October.

We are deeply indebted to our good friend and Angus Breeder, Kenneth Tore of Greencastle, for bringing his camera to our farms and for his time and his patience with us in taking these pictures.

Jack Frost Writes . . .

It is with considerable pride that I include these few remarks on behalf of the cattle from the Glatwyn-Richwood herds.

First of all, these are the kind of cattle that keep their owners. Both of these herds are maintained under the most practical, yet sound business like manner.

They are cattle that are produced, fitted and offered for sale in such a manner as to do increasingly better in their new homes.

This can only result from a practical, sound breeding and management program and for the production of sound, useful cattle by people who have at heart the welfare of their cattle and the interest of progress.

Much has been written about the two herd bulls at Glatwyn Farms, Broadway Hallmark x and El-Vi-Dor Fascination x as individuals and as International Champions. One is certainly impressed yet with the straightness, balance and substance of Hallmark. Equally as impressive is the strength, balance and breedy look of Fascination.

More important perhaps is the living proof of the get of these two bulls. These calves are bred to specification. The Hallmark calves are all stamped structurally correct, meaty, smooth cattle with a world of character. The cross of Fascination on the Hallmark daughters may well start a new dynasty in the Glatwyn herd. These youngsters, at this writing, are certainly pictures of ruggedness and thickness with the "outcome" look to them.

The Richwood Executive x bull in the Richwood herd is unmistakably a beef bull. He was outstanding as a summer yearling and is even more so as a two year old. His calves are "chips off the old block" in their thickness and smoothness.

Surely there will be many bargains on sale day from these two offerings. It is safe to say that which ever lots it is your good fortune to own at the close of the sale, they will make an improvement in your herd and will make friends for you in the Polled Shorthorn Fraternity.

TERMS AND CONDITIONS OF SALE

TERMS — The terms of this sale are cash unless other arrangements are made in advance with Gerald I. Clodfelter, Glatwyn Farms, or Thomas O. Richardson, Richwood Farms. All settlements must be made with the Clerk of the Sale immediately at the conclusion of the auction and before animals are removed.

GUARANTEE — All animals selling as a separate lot in this sale are guaranteed to be breeders regardless of age at time of purchase, except that bulls shall not be allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. Notice of failure of a bull to breed must be given to the owners of the respective farms at the earliest possible date. When a bull or female fails to comply with the guarantee both Glatwyn and Richwood will have the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period of not to exceed 6 months. The expense of freight in such cases is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

REGISTRATION CERTIFICATES — Certificates of registry and transfer will be furnished with each animal sold. An application of registry will be furnished for all unborn calves.

HEALTH — All animals have been tested for tuberculosis and bang's disease within 30 days of the date of the sale. All animals in this sale comply with the health laws of the state of Indiana, and Indiana health certificates will be furnished with each lot sold. Both Glatwyn and Richwood herds are T. B. Accredited and Bang's Certified.

ANNOUNCEMENTS — All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in the catalog.

LIABILITY — The above guarantee and terms shall constitute a contract between Glatwyn Farms and Richwood Farms (sellers) and the buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owners. We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

★**MAPLEWOOD MASTER (twin) x2918-687.** This is the bull, who at the very early age of 9 months was named the Grand Champion Bull of the great Illinois State Fair, and coupled with more winnings in the months just following his first triumph, started his great character possessing sire, Lynnwood Mainline x, on his way to becoming a famous sire of Polled Shorthorns. Upon the untimely death of Mainline last September, Master was assigned to full-time duty in the Richwood Herd. His first four calves in last years sale were well received at an average price of \$550.00. More of his progeny are in this sale with a larger selection to choose from.

★**RICHWOOD EXECUTIVE x2990-445.** Up to this point in the life of this young bull he has fulfilled every expectation we had about him when we first saw him as a five month old calf chasing after his mother along the slopes in South Dakota. As a yearling he was Reserve Junior Champion at last year's Illinois State Fair and Reserve Grand Champion at the Indiana State Fair. Another year finds him more developed, and since we now have two calves from him, we have an indication of his breeding ability, and it is most pleasing. The calves are a solid red bull and a solid red heifer. We feel confident his influence will not only be felt in the Richwood herd but also in the entire Polled Shorthorn breed.

★**RICHWOOD ROTATOR x3039-273.** A very pleasing solid white son of the Champion, Maplewood Master x, and out of an own daughter of Lynnwood Mainline x. This double-bred Mainline calf has a concentration of the characteristics that made Mainline the famous sire he was for us. Mainline's untimely death last fall was quite a loss, but his influence through his progeny will be felt for countless years. He was selected for use in our herd basically because of the tremendous character about his head and front end and that very important characteristic is very evident in Richwood Rotator x. Rotator's grandam was champion cow of an Indiana State sale. We have started a calf-hood vaccination program on bulls and this calf was the one we started it with. He is calfhood vaccinated.

★**RICHWOOD FASCINATION x3050-763**, For several reasons we are reluctant to offer this calf in this year's sale. We make no apologies for the calf as an individual, because we are confident the cattleman with a sharp eye will recognize his potential from his basic make-up at the present time. However, we are sure he will be a much better bull a year from now than he appears to be today. We have seen him develop and see him headed in the right direction in every department. But more important than the fact even that he was sired by El-Vi-Dor C Fascination x, the 1958 International Grand Champion, we want to demonstrate the buying opportunities offered in the Glatwyn-Richwood sale. We purchased his dam in the 1959 sale at a very modest price. She gave normal birth to this calf on January 3rd and nursed the calf until a short time ago. She was rebred March 12th and will calve for us again this year December 18th. Calfhood vaccinated.

★**RICHWOOD M M ROTHES 44TH x3039-271.** To say that this heifer is a full sister to Richwood M M Rothes 22nd x purchased in our 1959 sale by Dr. John F. Cuber of Galena, Ohio, for one of his good foundation females should be enough recommendation for her, but it must be added that that heifer was first at Illinois and Indiana State fairs. This heifer possesses all the same qualities of her older sister plus possibly a little more scale at this particular age. A very excellent heifer for a 4-H project for 1961. Calfhood vaccinated. Selling open.

★**MAPLEWOOD M MISSIE x3028-563.** We are quite proud to offer this granddaughter of Lynnwood Mainline x for several reasons. First, because she is the kind of a heifer we would like very much to have in the Richwood herd; second, because the breeding ability of Mainline sons is very evident; third, because she is very representative of the kind of calves being produced by Charles Reimer at Springfield, Illinois, with his Mainline son, the sire of this heifer; and fourth, because we have a solid red son of Richwood Executive x from this same combination of bloodlines, and we are sure the combination will please the most critical buyer. Bred to Executive since April 6th. Calfhood vaccinated.
